The ProjectBoards will be locked on **April 16, 2023**. For those entering their presentation virtually only:

Please note: While we will make every effort to ensure your project will be judged fully and fairly if submitted in a virtual form only, please understand that the judges will not have the benefit of real communication and engagement by your presentation in an in-person presentation.

Please indicate below how your project will be presented and judged at this year's MSSS, April 21-22, 2023.
