

Northern BC Regional Science Fair 2023

This year the Northern BC Regional Science Fair will be held in person, at North Peace Secondary School, on Wednesday, April 12, 2023. Information about registration (which will not involve ProjectBoard!) will be sent later.

Please note the following important dates and deadlines:

T-Shirt Logo Contest

Friday, February 10, 2023: Design must include the following:

- include the words "2023 Northern BC Regional Science Fair"
- have no more than 3 colours (black not included)
- be no larger than 8 ½ x 11"
- include your name, age, grade, school and home phone number on the back

Please scan and email to dplatzer@prn.bc.ca

School Registration

Tuesday, February 7, 2023: School registration form and **\$20 per student** is due. Please note the increase in the fee due to the fair being in person again. School Entry Schedule and Intent to Register forms are included in the email with this information

Step 1: Check the **School Entry Schedule** to determine the number of students your school is allocated to send to the Regional Science Fair. This may be a single student or pair of students with one project, but the combined total may not exceed your allocated number. Please note that allocations have decreased slightly this year.

Step 2: Fill out the **Intent to Register Form** and mail it along with a cheque for the total of **\$20 per student** to the address below, OR contact your Board Office to submit through your school Budget Code (please also send the school intent to register for tracking purposes, either scanned in an email or through the mail).

Registration Deadline

Thursday, March 9, 2023: Online registration of all projects must be completed. Either the sponsor teacher or the student registers the projects on the Microsoft Form (information to come). Registration will close at midnight, Thursday, March 9, 2023. Late entries will **NOT** be accepted.

Signature Page Deadline

Friday, March 17: Signature Page Due

At the end of the online registration, print out the signature page for each student. This page needs to be signed by the parents, the student and the sponsor teacher. Please make sure to check the media release box.

Ethics

It is very important that students who are considering working with humans, animals, or dangerous materials get Ethics Approval first. Please see the Ethics Guidelines document included with this email.

Judging

All judging will occur, in person, at the fair on Wednesday, April 12, at North Peace Secondary School.
