

Logging Into the ORSF Registration Portal

1. Go to the registration portal via the ORSF site or at <https://youthscience.ca/orsf/>.

OTTAWA
REGIONAL
SCIENCE
FAIR

For details about the Ottawa Regional Science Fair (ORSF), like important dates, and information, come and visit us on our [website!](#)

Pour plus de détails sur l'Expo-sciences régionale d'Ottawa (ESRO), comme les dates importantes et des informations, venez nous visiter sur notre [site!](#)

To register for ORSF, please create a new account below, or login to your *existing account* if you have one from a previous year.

Pour vous inscrire à l'ESRO, veuillez créer un nouveau compte ci-dessous, ou connectez-vous à votre *compte existant* si vous en avez un d'une année précédente.

Email

Enter your email

I am a student at a Canadian school

Yes No

Create account

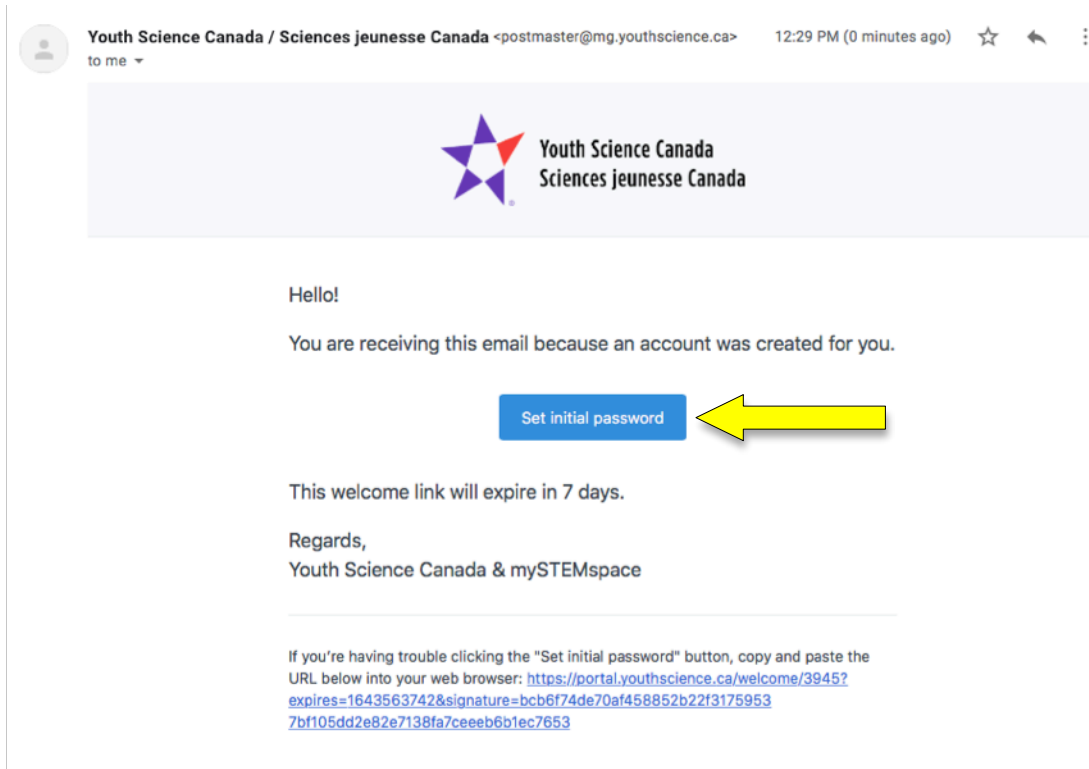

Already have an account? [Login](#)

A – If you created an account through MyStemSpace for the 2021 or 2022 ORSF, you can access that account by clicking on **Login** (see yellow arrow above). Go to step 4. **Note:** If you have forgotten your password, after clicking **Login**, you will have the option to reset it by following the instructions.

B – If you do not have an account, create one by entering your email address, indicate that you attend a Canadian school, and click “Create

account”. Please be sure to use an email account that can receive emails from an external sender.

2. You will receive an email to complete account creation. Click on “Set initial password”.

3. Enter the information required to create the account for Youth Science Canada’s science fair portal. Do not change the Region (Ottawa is automatically selected).

I am 13 years or older.

I am a parent or guardian registering this account on behalf of my child.

I agree to the [Terms of use](#).

We are creating a trusted and safe place. I agree to be positive and productive, and do safe and ethical STEM.

[Continue](#)

NOTE: If you are a parent or guardian creating an account on behalf of a student, you must select BOTH the first and second check boxes.

4. Congratulations! You are now logged in to your YSC science fair portal account!
You will notice on the left that you are already associated with this year's OSRF.

The screenshot shows the Youth Science Canada Portal dashboard. At the top left is the logo for Youth Science Canada / Sciences jeunesse Canada. At the top right, the user is logged in as 'orsfstudent@gmail.com'. A dark purple sidebar on the left contains navigation links: Dashboard, Ottawa 2022 (with a dropdown arrow), Registration, Science Student (with a dropdown arrow), User Profile, My Documents, My ProjectBoard (with a dropdown arrow), Start a New Project, My ProjectBoard, and Workspace. The main content area is titled 'Dashboard' and features two white cards. The left card displays the Youth Science Canada logo and the text 'Welcome, Science Student!' followed by a welcome message: 'Welcome to the Youth Science Canada Portal. This is where you'll find your profile information, make updates, and access your project workspace on ProjectBoard.' The right card displays the ProjectBoard logo and a link to 'My ProjectBoard Workspace'. Below the link, it states: 'This link takes you to ProjectBoard where you can create and plan projects. When prompted to login on ProjectBoard, please use the same orsfstudent@gmail.com email that you used for your Portal Account.'
