

Najib Hayat

Treasurer
Founder & CEO of Olympus Consultants Inc.

Najib Hayat is a Chartered Professional Accountant (CPA), Chartered Accountant (CA) and Certified Information Systems Auditor (CISA) with over seven years of consistently progressive experience in accounting, audit and IT. As the founder and CEO of Olympus Consultants Inc., he provides accounting, financial and IT audit, controls, risk management and consulting expertise to clients throughout North America. He has previously held management positions with professional services firms such as KPMG LLP and EY LLP.

Najib has a strong passion for youth and science engagements and even stronger belief in the mission of the organization. Najib is applying his several years of knowledge and experience, having worked with several other Boards, to ensure that the YSC continues to be the Canada's leading national organization engaging youth through science in inquiry and critical thinking.
