

Shawn Sanderson

Vice-chair

Coming from a small town in Saskatchewan, Shawn knows the huge impact the CWSF had on his person and career development.

Shawn is a business executive with experience running the strategy and P&L of large businesses. In contrast, Shawn has also been involved in the setup of new businesses and the associated fund raising necessary to help them survive and grow. In his career, Shawn has worked in more than 20 countries, always demonstrating social and cultural awareness that make him adept in managing the ever-changing environment we live in today.

With more than 16 years in the technology space having run operations, developed strategy, managed development, recruited talent and networked with large enterprises; Shawn brings these skills and network to the YSC board and is excited about collaborating with the board, volunteers, alumni and supporters of YSC and the CWSF.
