

How to register for the Renfrew County Regional Science Fair

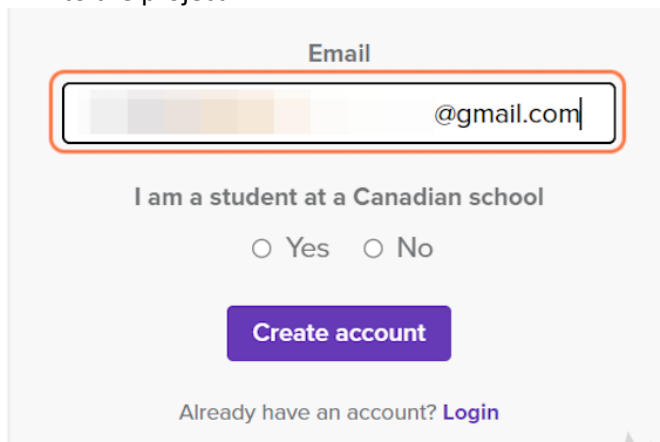

1. Go to <https://youthscience.ca/renfrew-county/registration/>

2. Log in or register with your email address.

If you already have an account, click "Login". If not, register with your email address.

Friendly reminders:

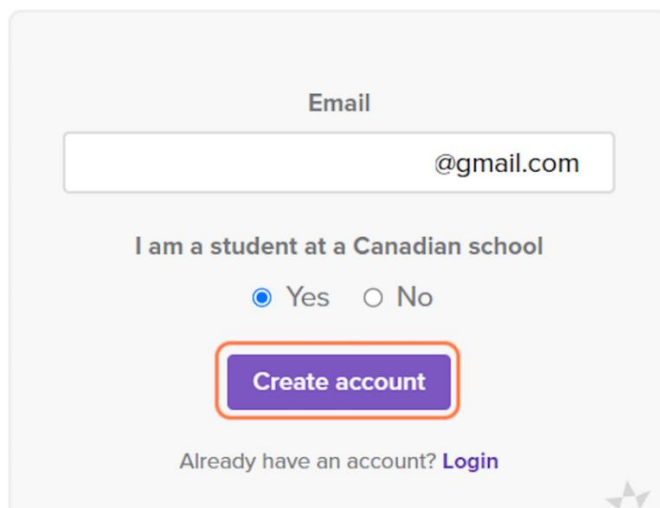

- Use an email address that can receive incoming emails (some school email addresses do not allow this).
- If you have a project partner, they need to register separately. Later, both accounts can be linked to the project.

The screenshot shows a registration form with the following elements:

- Email:** A text input field containing "@gmail.com". The entire field is highlighted with a red rectangular border.
- I am a student at a Canadian school:** A question with two radio button options: "Yes" and "No".
- Create account:** A purple button with white text.
- Already have an account? Login:** A link in blue text.

3. Confirm that you are a student at a Canadian school, and then click "Create account".

Welcome, Mel Test!

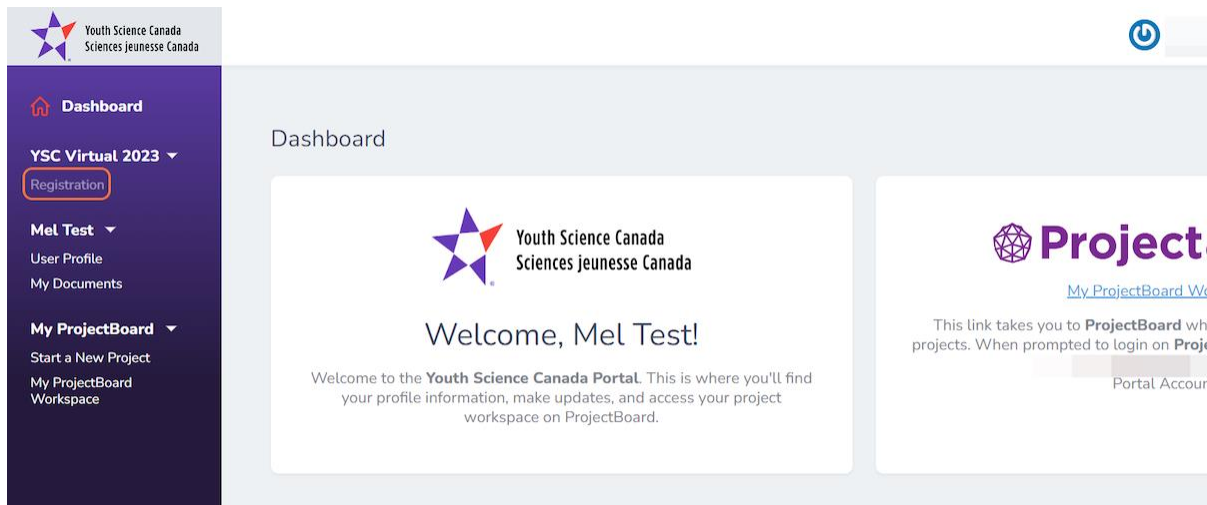

Welcome to the Youth Science Canada Portal. This is where you'll find your profile information, make updates, and access your project workspace on ProjectBoard.

ProjectBoard

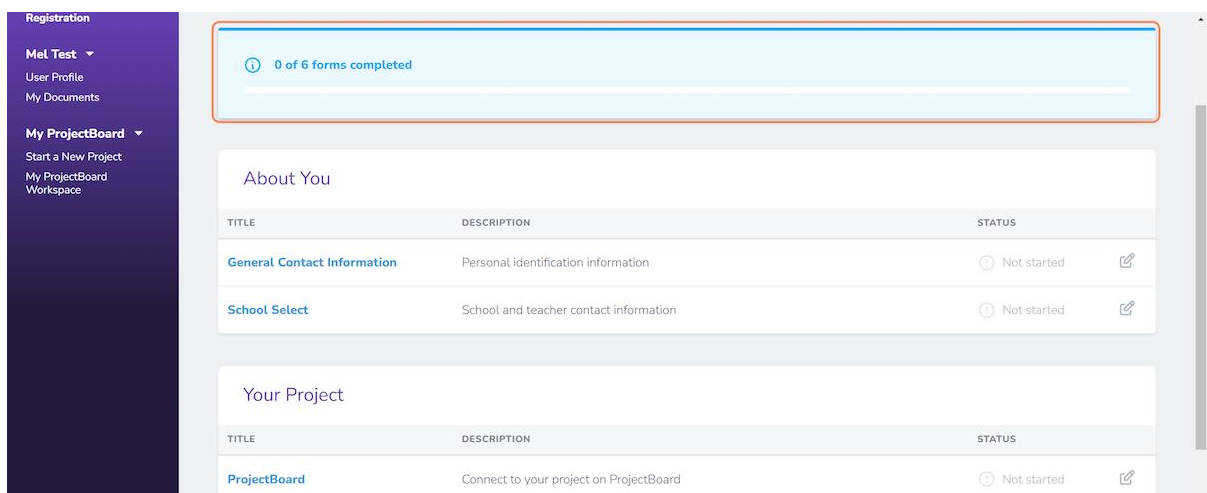

[My ProjectBoard Workspace](#)

This link takes you to ProjectBoard where you can create and plan projects. When prompted to login on ProjectBoard, please use the same @gmail.com email that you used for your Portal Account.

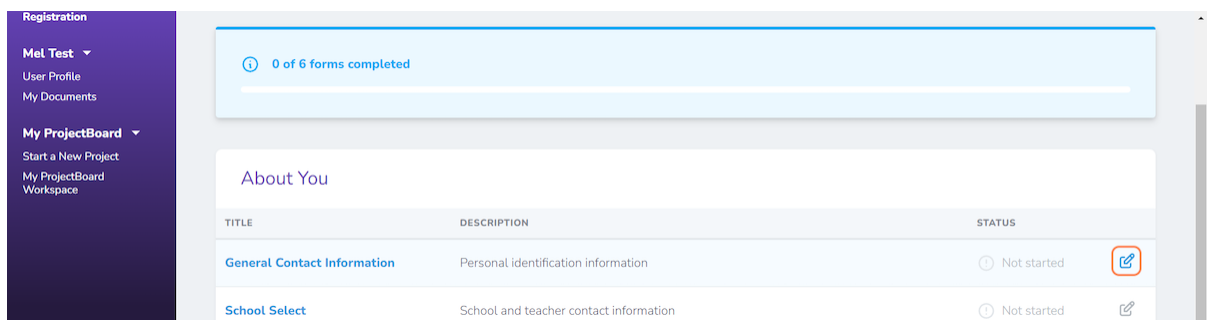

10. Head back to your Portal account to complete your regional fair registration. It will be at the top left. Click on "Registration".

11. Before you begin, you'll see that no forms are completed. This will track your progress as you go.

12. Start by completing the General Contact Information form. Most of it will already be filled out with the information you shared when creating your account.

13. Complete the required information in the General Contact Information form and then click "Submit". You can also click "Save changes" and come back to it later.

14. You will see a notice that the form was successfully submitted, the status will change to "Completed" and the tracker will show one form completed. If you click "Save changes" instead, the status will show as "Pending", but the tracker won't change until the form is submitted.

15. Next, complete School Select. Start entering your school's full name. You can also select "I am home schooled".

Make sure you spell it correctly or you won't find a match in our database (e.g., instead of EDPS you may need to search for "Eganville District Public School").

21. Finally, click on "Registration Confirmation" to submit your regional STEM fair registration.

The screenshot shows two tables. The first table, titled "Your Project", has columns for TITLE, DESCRIPTION, and STATUS. It contains two rows: "ProjectBoard" (Connect to your project on ProjectBoard, Completed) and "Project Information" (Project information, Completed). The second table, titled "Additional Information", also has columns for TITLE, DESCRIPTION, and STATUS. It contains two rows: "Additional Information" (Information needed to complete your registration, Completed) and "Registration Confirmation" (Confirm your regional fair registration, Not started). The "Registration Confirmation" row is highlighted with a red box.

22. Check the confirmation statement, and then click "Submit".

The screenshot shows a "Registration Confirmation" form. It features a checkbox with a checkmark and the text "I confirm that I am completing my registration for the following regional fair: YSC Virtual RSF *". Below the form are two buttons: "Cancel" and "Submit".

23. You're all done! The tracking bar will be green, and the status of all forms will be "Completed". You are now registered for the Renfrew County Regional Science Fair!

The screenshot shows a "Participant Registration" dashboard. A green notification bubble at the top right says "Form successfully submitted!". Below it is a progress bar showing "6 of 6 forms completed" with a green bar. Below the progress bar is a table titled "About You" with columns for TITLE, DESCRIPTION, and STATUS. It contains two rows: "General Contact Information" (Personal identification information, Completed) and "School Select" (School and teacher contact information, Completed).
