

Youth Science Canada presents:

Dr. Lucio Gelmini (Chemist at Grant MacEwan University) has done over 1000 demonstrations for the last 20 years at schools and events throughout Alberta. Associated with the Alberta Science Network and The Chemical Institute of Canada.

10:00 **Chemistry All Around You**

A look at some common household chemicals

11:00 **Cool Chemistry**

Chemistry of substance at very low temperatures

11:30 **Scavenger Hunt Prize Draw**

12:00 **Carbon Dioxide**

A look at the substance that we all breathe out

13:00 **Hydrogen!**

A look at the lightest gas on Earth

13:30 **Scavenger Hunt Prize Draw**
